To register for classes, fill out this form and send to Tetra Tech above, or visit www.TetraTechRTW.com to register online.

Note: Tetra Tech makes every effort to put on each class as advertised, and to add additional dates and locations throughout the year. However, each class has minimum and maximum registration requirements. We may be called upon at different times to cancel or reschedule a course, or close registrations. In the event of rescheduling or cancellation, all registered students will be given 30-days advance notice, and can transfer into the next available session of the registered course or another of equal value. We regret if this causes any inconvenience. Thank you.
